Letter of Appreciation

This letter of appreciation is awarded to "CODERS READY" for organizing excellent workshops in our college and providing hands-on experience in Artificial Intelligence and Data Science. The support provided by "Coders Ready" was critical in ensuring a smooth completion of various projects during all workshops. It was an enormous undertaking but went very smoothly and efficiently!

Thanks to your leadership, dedication, and the teamwork and energy of your staff, our students are now more confident in learning Artificial Intelligence and Data Science. Coders Ready should take great pride in this accomplishment.

I personally would like to extend my gratitude towards each member of the Coders Ready team and also express my wish for our collaboration to prosper in future workshops, seminars, and courses with "CODERS READY."

Thanking You,
Cordially
