APPRECIATION LETTER

We Are writing this letter to place on record that the department of Computer Science Engineering Himachal Institute of Engineering & Technology Shahpur Kangra (H.P) 176206. would like to acknowledge , appreciate and thanks the coders Ready for holding a hands on workshop on “Data Science with Python “ on dated: 02 May 2023.

Not Only was the workshop Organized in an extremely professional manner but all the information that was shared along with the hands on exploratory data analytics and application project gave our students a new prospective to the whole data Science applications

We once again would you like to thanks the whole coders Ready team. This workshop has infused our students with hope by showing them the potential of the data science in the real world .

We look forward to further cooperation and collaboration with coders Ready team in the near future and would like to attend future seminars and workshops as well

With regards

Principal
Himachal Institute of Engg. & Tech.
